## Helping Kids Succeed: Build-a-Backpack Drive

It's easy as 1, 2, 3 to organize a collection drive for backpacks and essential school supplies for kids who most need them.

### 1. *Get Ready! Set a Goal!*

- Decide whether will you deliver completed backpacks OR will you do a general supplies or backpacks collection? How many will you collect?
- Who can serve as the team leader to keep tabs on your effort and who can help you get the word out?

**BACKPACK FAQs**  
Please collect only NEW backpacks.  
Check the supplies list for items needed for each grade group.

### 2. *Get Set! Motivate Your Group!*

- Decorate collection boxes and place them in a busy and strategic location. Make it a group activity! Get the kids involved!
- Use your networks: talk about your progress on FaceBook, Twitter, or company newsletter or website...
- Think of a fun competition, offer prizes, team challenges, get creative!
- Have fun! Set a date to assemble the backpacks or bring in the supplies...

### 3. *GO! Collect, Deliver, Celebrate!*

- Count your collection and bring your items to Project GRACE on August 21st.

**DROP OFF**
